

QUISSETT ASSOCIATION
2026 Scholarship Application

Thank you for your interest in applying for this Scholarship.

Climate change and environmental damage are both very serious problems in our world today that must be addressed.

Today's students are the future will be relied upon to bring about the positive changes that are needed to protect the earth and create a healthier planet for generations to come.

This scholarship seeks to support students who are interested in sea level rise or climate change so they can complete their degrees and make an impact through their careers.

The Quissett Association, Inc., based in Falmouth, Massachusetts was founded in 1965. Our mission is to promote the common good and well-being of the people who reside in Quissett and its surrounding areas. The Quissett Association serves as a voice for our community before local government on matters pertaining to the care and preservation of our neighborhood, our harbor, and roadways, in particular traffic and pedestrian safety, as well as pressing environmental issues.
